

SEESNAKE® MINI VIDEO INSPECTION SYSTEM

The SeeSnake Mini video inspection system offers unmatched reliability and performance in a ruggedized package. The Mini is now also available with a durable self-leveling camera head.

BENEFITS

- **New Self-Leveling Camera Head** delivers crisp, clear, always upright in-pipe images (Catalog No. 48488 Only)
- **Built-In 512 Hz Sonde** allows you to locate a point of interest during a pipe inspection
- **Metal Frame and Rugged Drum** stands up to the rigors of a variety of demanding jobsites
- **Push Cable** pushes farther; tackles a wide range of lateral and mainline applications
